Being within proximity of three major cities, you won't spend hours travelling in the car, as Redcliffe is a quick 40-minute drive from the Brisbane CBD, 20 minutes from the Brisbane Airport, and just over an hour from the Gold and Sunshine Coasts.

## UNCOVER OUR SECRETS

Be greeted by the friendly volunteers at the Clontarf Accredited Visitor Information Centre, who will happily share local secrets and brochures with you. Cleverly designed in the shape of a pelican, which overlooks the sparkling water, those beach vibes will hit you instantly.

*Pelican Park, Hornibrook Esplanade, Clontarf*

## MEET SOME FEATHERED FRIENDS

Pelican Park is home to many.... you guessed it, pelicans! You're in the right spot to watch dozens of pelicans fly in for their morning tea, courtesy of the volunteers from the visitor centre. The volunteers also use this time to check the birds over to ensure they are fit and healthy. The feeding time also makes for some great photos to start your holiday gallery on social media #visitmoretonbay.

*Pelican Park, Hornibrook Esplanade, Clontarf*

## MAKE A SPLASH

Unpack your beach bag because it's time to dive into holiday fun at Aqua Splash Redcliffe. You would have seen the giant inflatable watercourse from the foreshore, as it sits behind the visitor centre. Featuring a giant slide, swings, Kaos balloons, trampolines, wiggle bridges and more, the course has been designed to create lots of thrills and hilarious spills. Families can choose from a single pass (50 minutes) or a double pass (two hours).

## 'YOU SHOULD BE DANCING'

Just as this hit song says, every visitor to Redcliffe's iconic Bee Gees Way should be dancing when they visit this open-air museum that honours the Gibb Brothers, better known as the Bee Gees. Redcliffe's very own legends have been immortalised in this 70m walkway which is adorned with murals of the Gibb brothers, as well as photographs, album covers and snippets of their lives. Every night from 7-9.30pm, Bee Gees Way transforms into an outdoor disco with a light display timed perfectly to the band's greatest hits for you to sing and dance along to. Don't forget to snap a family picture with the life-size statue of the band.

# Day TWO

## FUEL UP FOR A BIG DAY

After a restful night, it's time to head for breakfast at Café Diversity. Being a five-minute stroll from your accommodation, this means you will be sipping on your coffee and the kids' guzzling milkshakes in no time. Favourites include bacon and eggs, brekky burgers, old fashioned French toast, and banana bread waffles - which come complete with chocolate hazelnut ganache and whipped cream. Since calories don't count on holidays, are you tempted to try the deep-fried Mars Bar?

*75 Redcliffe Parade, Redcliffe*

## A WHALE OF A TIME

Following breakfast, it's time to head to your next activity – a day cruise with the experts from Brisbane Whale Watching on board the luxury catamaran 'Eye Spy' for an enchanting encounter with the humpback whales. During whale watching season – from June to November – these marine animals can be seen off the coast of Moreton Bay. They travel from the icy waters of Antarctica to the sub-tropical waters of Queensland to give birth, with Moreton Bay being a popular spot along the 'humpback highway' for the whales to frolic.

Your captain for this 5.5-hour sail is Kerry Lopez, who is recognised as the only female captain to own and operate a whale watching adventure in the South Pacific rim. Captain Kerry knows all the best spots, so it won't be long before you witness these majestic creatures breaching high out of the water, slapping their tails, or waving their fins, which we like to think is them waving hello to us! Ensure your phone and camera batteries are charged to capture these incredible moments. Every passenger will also receive a gourmet picnic lunch box. Tours are run daily from July to November from 9.30am-3pm. If you're visiting outside of whale season, Brisbane Whale Watching also have an array of other cruises to choose from.

## OPTIONAL: ENJOY A PADDLE

After a morning out on the water, if the kids still have energy to spare take a refreshing swim at Redcliffe's Settlement Cove Lagoon, a four-minute walk from the dock. Kids will have a blast pretending they are pirates or mermaids in this 95m tropical seafront pool, which is a popular spot for families. The lagoon features sandy bays, different wading zones – catering to all swimming abilities – an island in the centre of the lagoon, and a miniature river and riverbed, where kids can splash around to their heart's content. If you have little ones, there is also a separate fenced off pool area with mushroom fountains and squirting lizards. The lagoon is open all year round (what's winter?) to enjoy a paddle and splash. Afterwards, you only need to cross the road to head back to your room to freshen up.

*Redcliffe Parade, Redcliffe*

# Day TWO CONTINUED

## FISH AND CHIPS WITH A SLICE OF LENNON

When your stomach starts grumbling, it's time to head out the door and make the seven-minute walk to one of Redcliffe's best fish and chip restaurants – Yabbey Road. This delightful name is a play on words for Abbey Road, with the owners creating a unique restaurant inspired by the English rock band, The Beatles. The Beatles theme is spread everywhere throughout the shop – from the music to the memorabilia on the walls, the yellow submarine behind the counter, a life-size cutout of John Lennon, and even an Abbey Road-style crossing out the front. Yabbey Road serves up traditional English fish and chips, as well as burgers, wraps, salads and more to curb your hunger. You can dine in or head to one of the many picnic tables and benches across the road near the Redcliffe Jetty.

*133 Redcliffe Parade, Redcliffe*

## CHALLENGE THE KIDS TO A ROUND

Cap off the night with some friendly competition at Redcliffe's epic entertainment precinct, Undersea Putt and Play. No matter your age, mini golf is always a hole lot of fun (see what we did there!). Featuring 18 holes, players will putt their way around the seabed and encounter animals such as great white sharks, whales, fish, crocodiles, a giant squid, mermaids, pirates and more. There's even a glow-in-the-dark room to add to the excitement. The venue also features an arcade with more than 30 old-school favourite games, such as air hockey and pinball, and a café and bar should you get the munchies. Undersea Putt and Play is just a stone's throw away from your hotel.

# Day THREE

## BREAKFAST WITH A VIEW

Kickstart your day with a relaxing breakfast at your hotel, before jumping in the car and heading out on a day trip to explore more of Moreton Bay. Bask in the sunshine at The Komo's outdoor dining area as you polish off a smashed avo on toast, smoked salmon bagel or cheesy chorizo brekky nachos. For little bellies, there's waffles or bacon and eggs.

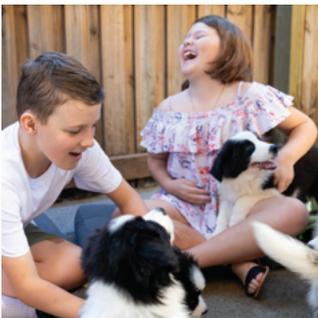

*99 Marine Parade, Redcliffe*

## ESCAPE TO THE HINTERLAND

After a short hour drive to the Moreton Bay hinterland, your first stop is at the Lyell Deer Sanctuary, an educational and magical family attraction at Mount Samson. While visiting this peaceful little hideaway, you can't help but feel like you're in a Disney movie, especially as you cuddle, sit with and hand feed the deer, coupled with the serene forest setting. The adorable animals are very curious and love meeting new people, so it's easy to lose yourself in all the 'aww' moments.

*6 Lyell Court, Mount Samson*

## LUNCH WITH SOME FOUR-LEGGED FRIENDS

When it's time for a bite to eat, it's just a 15-minute drive to one of Moreton Bay's most 'pawsome' cafes – Collies and Co. The cute-o-meter is sure to be off the charts at this one-of-a-kind, dine-in puppy cuddle experience, where you can meet the adorable floofs who belong to the café owners. In addition to running a café, they are also registered dog breeders, so you can be assured the puppies get lots of love and attention at home too. The puppy pen is where all dog lovers can pat, cuddle and play with the puppies, but be warned – they're hard to leave once you fall in love with them. You do need to book for this adorable experience, which includes puppy snuggles, a main meal and a drink.

*14 Main Street, Samford Village*

# Day THREE CONTINUED

## APPARATE INTO THE WIZARDING WORLD

Witches and wizards of all ages will feel like they have stepped into Moreton Bay's version of Diagon Alley with a visit to The Store of Requirement – just a six-minute walk or two-minute drive down the road. The beaten-up blue car which Ron and Harry illegally flew to Hogwarts greets you at the front door and makes for some amazing photo opportunities (accio camera!). Then step inside this magical realm where the talking Sorting Hat will place you in your designated house (not Slytherin!), quench your thirst with a delicious glass of butterbeer, or try your luck with some Bertie Botts Every Flavour Beans (alas, earwax). Fans young and old will be left spellbound with the array of wands, costumes, magic potions, toys, clothing, games, puzzles, collectables and more to take home with you.

*22 Station Street, Samford Village*

## MINI SHOPPING SPREE

Wrap up your day trip to Samford by visiting the township's many other specialty stores, which sell an array of unique homewares, fashion, antiques and more. Then it's time to pile into the car to make your way back to the hotel.

*Main Street, Samford Village*

## A FLIPPIN GOOD MEAL

One of the peninsula's best fine-dining restaurants is a 10-minute drive from your hotel in the nearby suburb of Scarborough. Offering waterfront dining and the freshest seafood direct from the trawlers, Tempest Seafood Restaurant and Teppanyaki Grill is not to be missed. The restaurant's internationally trained chefs will transform the grill into a stage by effortlessly flipping their utensils and ingredients right before your eyes to create a flavorsome dish your tastebuds will love. They even get diners involved in the fun with the chefs asking you to hold out your bowls to catch your dinner.

*Boat Harbour, Bird Opassage Parade, Scarborough*

# Day FOUR

## A TREASURE TROVE OF GOODIES

The last day of holidays is always a good excuse to have a sleep-in. When you're ready to venture out of the room, the Redcliffe Markets is the place to be. Held every weekend along the picturesque Redcliffe Peninsula, this iconic seaside marketplace is a Sunday institution with locals and visitors alike. With so much to see and do, you won't know where to begin. Kids can start off by getting their face painted, then pat the farmyard animals at the petting zoo, sing and dance along with the buskers and professional musicians or bounce as high as they can in the jumping castle. With more than 230 stalls to browse, the markets are a great place for adults to find themselves a bargain, and for the kids to spend their remaining pocket money. There are stalls for fashion, jewellery, homewares, fresh produce, meats and more, as well as an array of delicious food trucks and vendors serving up a variety of delicacies. As a bonus, you don't have to worry about parking, as you can simply walk from your hotel.

*Redcliffe Parade, Redcliffe*

## LET THEIR IMAGINATIONS RUN WILD

After checking out of your hotel, head down to Sift Café, which is a seven-minute drive. It is here you can pick up your own gourmet picnic box to share, handmade with love and filled with tasty, local products. One of the most popular picnic boxes is the large grazing box filled with tasty treats for the family to share. We recommend grabbing your picnic box and jumping in the car for a four-minute drive to Pirate Park, where the kids can run around and play. The playground is a popular spot for young families, and boasts a pirate ship, train and jumping pillow, perfect for letting their little imaginations run wild. Will they roam the high seas or take part in a train robbery? Only they can answer that question. At the other end of the playground, kids can put their climbing skills to the test by scaling the Cotton Wood Trees.

*Shop 2/95 Prince Edward Parade, Scarborough*

## ENJOY SOME FRESH AIR

Zoom along the waterfront in style on some e-bikes and e-scooters from Ride Electrics. With 13km of ocean front bike parks to explore, the e-bikes and e-scooters are the best way to soak up those beach views from various lookouts.
