## Expression of Interest – Generate Youth Gallery

2017 will play host to an exciting new event taking place in Caboolture Town Square from Friday 20 to Sunday 22 of October. Proudly presented by Moreton Bay Region Industry & Tourism (MBRIT) and Moreton Bay Regional Council (MBRC), **Generate** is the first of its kind to activate the Town Square through the use of visual art installations. As part of the inaugural festival, **Generate** will attract up to 10,000 people to the area to showcase the talents of local artists, groups & schools as part of the key engagement strategy.

We are inviting local schools to be involved in Generate, featuring in the Generate Youth Gallery, by supplying art and creative works created in schools as part of the school curriculum, which will be displayed at the event.
